BAY AREA CONFERENCE

BCL Sports Handbook

The North Coast Section Sports and General Rulings Handbook contain NCS policies, regulations, and pertinent information about specific sports and general interscholastic competition. The **BCL Sports Handbook** serves as an additional reference guide for regulations and procedures that are specific to the Bay Area Conference (BAC) BCL interscholastic competition. It is the responsibility of all Athletic Directors to read and understand the materials in the BCL, BCL East, BCL Central, and BCL West Sports Handbooks and to inform their respective coaches of the guidelines under which they must conduct their specific sport(s).

A. GENERAL RULINGS

1. The BAC official season of sport and maximum number of games shall not exceed the North Coast Section (NCS) maximum number of games and/or control scrimmages.
2. No more than two non-league or league games may be scheduled per week. Exceptions are:
 - a. Tournaments [no more than 5 per week] or
 - b. When two/three games must be played due to a necessary rescheduling of the contests. Note: If a third contests in necessary, all efforts are to be made to schedule the third contest on a Saturday.
3. BAC contests are scheduled for a 4:00pm start, however due to the change from standard time to daylight savings time and vice-versa; outdoor contests may begin as early as 3:30pm. A change in this format can be made providing both schools agree to the change.
4. Varsity and JV teams will be guaranteed a minimum of 15 minutes of warm up time. Regardless of the posted starting time. [11/07]
5. Varsity contests are scheduled for 4:00pm Junior Varsity and 5:30pm Varsity.
 - a. Exception: Girl's Volleyball: Junior Varsity 4:00pm, Varsity 5:30pm because with varsity playing 3 out of 5 games, and Junior Varsity 2 out of 3 games; younger players would get home too late.

Note: A change in this format can be made providing both AD's agree.

- 6. The preliminary rounds of the playoffs in all sports will be held at the "home site" of the higher seed. The semi-finals and finals will be held at the facility designated by rotation. If the facility is unable to accommodate the fans, then other facilities may be obtained, but must be first approved by the Commissioner of the BAC.
- 7. Neutral site for the semi-finals and finals is not mandatory.
- 8. If majorities [51%] of league schools are unable to complete their seasons due to inclement weather, only the first round contest of a double round robin schedule will be recorded in league standings.
- 9. A Conference League is defined as combining any east bay league/BCL with west/central bay leagues. A Conference League will be formulated when one or both leagues cannot field four (4) teams in one sport. If, after the season of sport begins, a league of four (4) schools loses a member school, the league will continue with the remaining schools.
- 10. Regional League Status: A Regional League is defined as combining leagues within the east bay or within the west/central bay only. All BCL Regional leagues shall provide junior varsity, frosh/soph or freshman league schedules. A Conference schedule may not be created for JV, Frosh/soph, or a freshman sport. **Process:** A school that has a JV and/or Frosh/soph team may notify the sports rep from the host league to be admitted to the host league schedule by the sport declaration date. [6/06]
- 11. A regional or Conference league is a Supplemental League. Please refer to the Sports Handbook for this league to determine how the League Champion and NCS Automatic Representative are determined. [8/07]
- 12. Tie breaking procedures as listed in BAC Bylaws, Article 6, K. League Playoffs, 5, shall NOT be used to break a tie when determining League Champion; only the win-loss record of round-robin play will be used.

B. SPORTSMANSHIP

- 1. The California Interscholastic Federation (CIF), NCS, and BAC Codes of Ethics shall govern conduct, ethics, and sportsmanship for all participants, spectators, and others involved in athletics of all member schools. [Article 4, BAC Constitution and Bylaws]
- 2. A "Sportsmanship Complaint Form" is to be used to formalize the lines of communication between member schools when dealing with incidents involving sportsmanship. [See Appendix D]

C. RECRUITMENT (BAC Bylaw 9)

The North Coast Section of the CIF prohibits the recruitment of students to high schools for athletic purposes. [See NCS Student Eligibility Bylaws, Article 20, 200-219] This prohibition at first glance may appear to be in conflict with the common practice of independent and parochial high schools soliciting students to benefit from their comprehensive programs. The following statement of policy from the Bay Area Conference [BAC] is intended to clarify the boundaries between legal and illegal recruitment of student-athletes. It is provided here as a means of protection for students, parents, and coaches and to ensure our students of “level playing fields”.

Bay Area Conference schools view athletics as an essential and integral part of a liberal arts education. It is therefore reasonable that students and parents will be interested in the qualities of a prospective school’s athletic program. It is also reasonable that a school’s employees will be proud of, and eager to improve, their athletic programs. The following **Principals of Good Practice** are intended to help students, parent and school personnel to solicit and provide necessary information and insights without crossing the line of illegal recruitment.

CIF, NCS, and/or BAC sanctions may be brought against a coach, school, and/or recruited student-athlete, if a recruiting violation is verified.

Principals of Good Practice

1. A high school **coach** is prohibited from initiating conversation with a prospective student concerning attendance at the coach’s school. This includes off-campus overtures or conversations that occur before or during the admissions process. The only exception to this prohibition is that coaches may speak with prospective student-athletes and/or parents during the normal admissions campus visits. Note: A coach is interpreted as any adult who assists with the athletic programs, in either a paid or voluntary capacity, and who thereby has a vested interest in attracting certain student athletes to his/her school.
2. When approached by interested student-athletes or their parents outside the normal admissions process, a coach is required to refer either or both parties to the Head of School/Principal of the coach’s school or his/her designee.
3. When prospective student-athletes visit a school’s campus, they should be provided information about athletics in the same manner as they receive information about other departments of the school.
4. Excessive financial assistance [significantly beyond the family’s demonstrated need] for the purpose of attracting a student-athlete is viewed as illegal recruitment.

Should a student-athlete or parent feel that the student’s admission process is being, or has been, compromised by a school’s deviation from the above Principals of Good Practice, the Head of

School/Principal of the offending school, the League President, and/or the Conference Commissioner should be immediately contacted.

[SEE SECTION 19, NCS HANDBOOK]

1. The USGA Rulebook is the governing authority in golf. All players and coaches must carry a current USGA rulebook during matches as of April 1, 2003. If there is a question or problem, a player must state the incident at that time, before the next stroke is made, otherwise the score will stand. A competitor may proceed under Rule 3-3 if doubtful as to how to proceed after an infraction.
2. USGA approved golf balls may be used for league competition.
3. A match will consist of nine (9) -hole medal [strokes] plays. The host professional of the course will determine the conditions of play. In the event a host professional is not available, the "home" team coach will make the decision. Host schools are responsible for green fees for league matches. Matches may be required to end before the completion of nine holes due to darkness, if both coaches agree. The number of holes that the last group in the match completed will determine scores. All scores from the match will be based upon the number of holes the last group completed. A scoring limit of double par per hole or a maximum of ten strokes per hole may be implemented for matches if both coaches agree.
4. A maximum of six (6) players may be on a team with the top four (4) scores considered in the match results. In case of a tie of the four cumulative scores, the first tiebreaker shall be the scores of the 5th players. If still tied, the 2nd tiebreaker shall be the scores of the 6th players. If the match remains tied after both tiebreakers, the match will count as a tie. If one team cannot field a 5th or 6th player to count in a tiebreaker, the other team will be declared the winner (approved 12/04). Teams that qualify for NCS competition must enter a minimum of five players.
5. For the 5th and 6th player, there will be a scoring limit per hole of a double par, or a maximum of ten strokes.
6. A single round robin, or double-round robin schedule will be played. Double-round robin schedule will be created only if school and course availability allows required matches to be completed prior to NCS.
7. Each foursome will receive two scorecards. One card is kept by the "home" team and one by the "opponents". The "home" team scorecard is the official scorecard. A player from each team in each foursome will be designated to keep score for all of the players. At completion of the match, the "home" team will verify the scores are correct for both teams and have opponents attest the scores on the official scorecard. All players must sign the official scorecard, once scores are verified. Coaches must verify match score and "home" team will submit the results to the League Representative. The "home" team coach will collect official scorecards and keep them for the entire season, in case they are needed as a reference.
8. Coaches will agree on DOUBLE PAR SCORE for all golfers if match appears to be too uneven or pace of play is adversely affected. Players scoring double par (without

- completing the hole) will circle score on that hole, indicating they did not complete the hole – players actually scoring double par “pick-ups” will be declared the winner in case of time matches.

If there is a second NCS berth available for the BCL/BCL East, that team will be determined by the BCL/BCL East League Tournament. If the League Champion is also the Tournament Champion, the 2nd place Tournament Team will earn the 2nd NCS berth. A BCL/BCL East League Tournament will be held to determine the top three boys and/or girl qualifiers.
 17. Tournaments will be held for the BCL-East/BCL and the BCL-West/Central. The Tournament is open to all teams in that particular league. If there is a clear Varsity League Champion, they have the option to play or not. If there is a tie for 1st place at the completion of the round robin, the Tournament will determine the Varsity League Champion **and** the league NCS representative. The Tournament format will be 18-hole medal play. The coaches will submit their players listing 1 through 6. The Tournament Director will pair the players in the order of schools’ overall league record (starting with the top players playing each other (1s vs. 1s, etc.) and continuing down the list. Schools that are not on the league schedule may submit two (2) players and they will be added at the end behind the sixth (6th) players.

If the teams remain tied after both tiebreakers, the cumulative back nine scores of the top 4 scores on each team will be the next tiebreaker. Ties for individual NCS qualifiers from the League Tournament will be determined by a sudden death playoff.

APPENDIX D: SPORTSMANSHIP COMPLAINT PROCEDURES

The purpose of the Sportsmanship Complaint Form is to formalize the lines of communication when dealing with incidents involving sportsmanship. Hopefully, any problems can be dealt with “on the spot” between coaches. The form, however, provides a means to inform all the involved parties of any breaches of conduct by players, coaches or fans. It is important that the incidents be handled within the proper “chain of command.”

1. If a coach feels that an unsportsmanlike act has taken place in a contest, he or she should communicate with his/her Athletic Director. The A.D. will determine whether to have a Sportsmanship Complaint Form filled out in order to proceed with the complaint. The completed form will then be forwarded to the Head of School for review. At that point, the Head may determine that the complaint should not be lodged with the opposing school.
2. If the Head of School decides to go forward with the complaint, a copy of the Sportsmanship Complaint Form will be sent to the Athletic Director of the opposing school and the BAC Commissioner. It is incumbent that the opposing school’s A.D. takes the form to his/her Head. The two Heads may decide to resolve the matter at their level, or have their A.D.s find a resolution. The Commissioner should receive a copy of the form with the resolution section completed.
3. If no satisfactory resolution can be achieved between the schools, the matter will be brought to the BAC Board of Governors.

Copies of the statement must be sent to the Commissioner, Head/Principal and Athletic Director of the school making the protest.
